IN MEMORY OF MARY E. GRUNDTISCH

Mary E. Grundtisch began helping at the Wyandot County Fair almost 50 years ago when her daughter, Joyce, showed a pony as her 4-H project. From that time on she was an avid supporter of Trails End 4-H Club and later encouraged many future generations of young horse-lovers. She worked tirelessly alongside her husband, Dwight throughout his 38 year tenure a Fair Board Member.

At first she judged fruit and vegetable categories at the Fair. This only served to fuel her own good-natured desire to compete. Her first personal entry was one of her beloved roses. Before long she became known for her award winning flowers, home-made pies, fruits and vegetables, macramé, sewing and heritage quilts.

Mary was a member of the Sycamore United Church of Christ and the Sycamore Lioness Club. She loved playing cards with her pinochle club, performed for many years with the Sycamore Little Theater, and was an integral member of the Sycamore Garden Club. Her husband of 68 years, Dwight, currently resides in Upper Sandusky. Her daughter, Joyce Detzel, lives in San Antonio, Texas; her only grandson, Michael Detzel and his wife, Laura, along with their two children, Emma and Liam, are from Milford, Ohio.

Mary lived life fully until the end. Three months before losing her final battle with cancer on December 19, 2014, she proudly continued her legacy by bringing home twelve First Place ribbons and 3 Best of Show prizes from the 2014 Wyandot County Fair. We remember and will miss the smiles of Mary Grundtisch, who once told a news reporter, “I enjoy helping Dwight with the horse department…I just enjoy our County Fair and all the people.”

Thank you for all your years of dedication to the Wyandot County Fair, Mary.

Biography of George F. Collet

George Collet was born on June 11, 1938, outside of Carey, Ohio. His parents were Andrew and Catherine (Riedlinger) Collet and he had four older brothers and two younger sisters. While they did move around some while growing up, they always remained in Wyandot County. George graduated from Nevada High School in 1956. After serving in the U.S. Army from 1959 – 1962, he married Janis Brodman on October 27, 1962 and settled outside of Kirby, Ohio. In 1967, George and Janis purchased the Brodman homestead where he lives today. While living on the farm, George and Janis farmed together while both worked outside of the home. George retired from Whirlpool Corporation in Marion after 35 years. George has been an active member of St. Mary's Church in Kirby, Ohio. He served in various church capacities over the years including the church council, festival volunteer, Eucharistic minister, greeter and still helps to count the Sunday collection. He joined the Knights of Columbus organization in 1956 and will celebrate his 60th anniversary in the organization in 2016.

Besides being a dad to John and Amy, George was very active in various youth organizations. He served as a 4-H club advisor for approximately 10 years and a Farm Bureau Youth Advisor for approximately 8 years. He also helped to parent foster children and exchange students. In addition, he has been a member of the Wharton Lion's Club for approximately 45 years and has held various offices including president.

The county fair has always played a large part of George's life. He was an active member of 4-H as a youth taking various projects to the fair. Later in life, he was a Senior Fair Board member for 15 years and a Junior Fair Board Advisor for 6 years. George has also been a member of Farm Bureau for close to 60 years and a board member in Wyandot County for at least 25 years. In addition to the fair and agricultural activities, George has been a member of the Wyandot County Council of Birth Defects for around 30 years.

Thank you for all your years of serving on the Wyandot County Sr. Fair Board, George.

WYANDOT COUNTY JUNIOR FAIR BOARD

WYANDOT COUNTY HORSE BARN CAMPAIGN

Wyandot County Jr. Fair Horse Department is in dire need of a new horse barn to house Jr. Fair Horse Projects. The current facilities are not able to safely handle the current number of 4-H Horses.

4-H is proven to have a positive impact on the youth in our community. With your support we hope to reach even more young people, especially those at risk children who may not realize they too can participate in a 4-H Project. An important aspect of this endeavor is the interactive educational arena aimed at educating the public about the benefits of 4-H and how they can become involved. The new barn will also allow our youth to have an area to host learning clinics and shows throughout the year.

This project will highlight the 4-H opportunities available to youth in our community. It will also allow those current members to grow within their chosen projects, all the while creating a safer environment for the animals and the viewing public.

Public display of support will be for all to see in the new facility. We hope that you will chose to be part of this program, understanding that any donation will be tax deductible.

Thank you in advance for your support!

• Under the Assurance for Livestock Exhibition Rules, Mandatory Quality Assurance is a prerequisite to exhibit junior market livestock, lactating dairy cattle and lactating goats.
• **First time Junior Fair exhibitors** who plan to exhibit a market or lactating dairy animal in 2014 must attend one of the scheduled sessions. *A parent, guardian or responsible adult must attend the training with the first year exhibitor.*
• Ohio Department of Agriculture requires that all exhibitors annually attend and complete a Quality Assurance program. **Youth (who are 12 years of age and older and not a first time exhibitor) may take a test based on the appropriate skill level for their age (twelve to fourteen or fifteen to eighteen) following the Quality Assurance program. Youth whose projects pass the test will be exempt from annual Quality Assurance re-certification until they move to the next age bracket or are no longer a junior exhibitor (nineteen years of age or older on December thirty-first of their last year).**
• Quality Assurance training from another exhibition will be accepted for the Wyandot County Fair. The exhibitor must present proof of training to the OSU Extension Office **before August 1, 2015.**
• A Drug Use Notification Form DUNF must be completed for all junior market livestock, including market poultry, lactating dairy cattle and lactating goats. The DUNF must be reviewed for compliance with mandatory annual attendance or completion of a Quality Assurance Program.
• There will be no "make up" opportunity for Quality Assurance Training. Exhibitors not receiving the training by August 11, 2015 will be ineligible to exhibit at the 2015 Wyandot County Fair.

Livestock Interview Judging is at the discretion of each Junior Fair organization.

4-H Livestock book judging will be held at the fairgrounds arena on Saturday, Aug. 15, 2015 from 9 a.m. to 1:00 p.m.

Make-up 4-H Livestock book judging will be held at the fairgrounds arena on Wednesday, Aug. 5, 2015, arrangements must be made with the OSU Extension Office for make-up judging.

This document supercedes any other rules including the 4-H Handbook.

1. Health papers are not required for in-state animals.

2. A Certificate of Vaccination is required for horses and feeder calves only. This can be filled out by your veterinarian at the time of vaccination and does not require a visual inspection of the animal within 30 days of the Fair. If you have any concerns about whether or not your animal is healthy for the Fair, you should have the animal examined by a veterinarian prior to

the arrival at the Fair. Due to these changes in the health regulations, an animal inspection will be performed as animals enter the fairgrounds on Monday, Sept. 14, beginning at 4 p.m. Any animals showing signs of contagious diseases or poor health will be removed from the grounds. All feeder calf projects will be required to present their Certificate of Vaccination to the Department advisor at weigh-in.

3. A veterinary inspection will also be conducted on Tuesday morning, Sept. 15, 2015. All animals must be in their assigned pens and without body coverings such as blankets and hoods.

4. A Certificate of Veterinary Inspection (Health Paper) is required on animals from out of state. See the rules and regulations in the Official Fair Premium Book.

5. All feeder calves are required to receive 2 vaccinations for IBR,BVD,BRSV,PI3 and Pasteurella. The first official vaccine will be given by a veterinarian on June 6, 2015 at the cost of $6.00/calf. The booster vaccine must be given by a veterinarian between July 10 and Aug. 15, 2015. Your veterinarian must sign your Certificate of Vaccination and enter the date that the vaccine was administered. The Certificate of Vaccination will be provided at Weigh In/Tag Day on June 6, 2015.

6. All feeder calves must be castrated on or before July 15, 2015. (No evidence of testicular tissue). Calves are to be hornless meaning they are hornless, no scurs and smooth to the scalp. All cattle must be free of ringworm and warts. Any animals exhibiting these diseases will not be permitted to remain on the Fairgrounds.

7. Horses are required to be vaccinated by a veterinarian for equine influenza between March 1, 2015 and Aug. 31, 2015. The vaccination for Rhinopneumonitis is at the discreation of the horse's owner. Proof of vaccination will be a completed Certificate of Vaccination. All horse exhibitors must turn in their vet papers to the Horse Department Advisors prior to the fair or the horse will not be permitted to remain on the Fairgrounds.

8. Swine will not need a pseudorabies virus test unless from out of state. If your pig was purchased from an out of state source, it must be tested for pseudorabies. All swine entering the Fairgrounds must go to slaughter.

9. To avoid having to take rabbits or poultry home, have your animals checked for the common diseases — mites, cankers, etc. prior to the Fair. Poultry and rabbits will be examined when they arrive or soon after.

10. All poultry must must be hatched from a NPIP hatchery or from a state certified Pullorum-Typhoid Tested Flock or be tested with a certified Pullorum test prior to Sept. 1. ALL poultry over one year old must be tested with a certified Pollorum test prior to Sept. 1. Pollurom tests are at the owner's expense. ***Hatchery papers or a copy of hatchery papers must be turned in with Livestock Entry Forms – August 15.*** - For inspection upon entry at the Fair to assure birds are within the age guidelines and will be checked by the Junior Fair Department Advisors prior to the Fair.

11. All sheep and goats must have an official USDA Scrapie ID tag or tattoo. Tattooed animals must be accompanied by official Scrapie documentation.

12. Exhibitors are responsible for drug residue in market animals. A drug use notification form (DUNF) must be completed for all Junior Fair market livestock except rabbits and poultry. Tranquilizers are considered illegal drugs and are not acceptable. Some feeds have medications that will require withdrawal time. Be sure to check for any medications in your animal's feed that may require a withdrawal time.

SHOWMAN OF SHOWMEN
Friday, Sept. 18, 12:00p.m. - Jr. Fair Arena

1. The Showman of Showmen show is a competition between the representatives of the senior showmanship classes. All senior showmanship division winners in beef feeders, dairy, dairy feeders, dairy steers, goats, horses, market beef or beef breeding, poultry, rabbits, sheep, and swine departments are eligible to compete. In order to add a livestock species to this list there must be a minimum of 10 exhibitors showing that species in one year. Additions and changes will be made the following year to the livestock list as long as 10 exhibitors are expected that year. The departments will determine how their senior age participant is selected.

2. Dress for the contest should reflect proper and appropriate show ring apparel for the specific species represented. The junior fair dress code requirements are pants/jeans with no holes and full button up shirts, no polos, to be buttoned from bottom to at least two buttons from the collar and tucked in. Dairy and horse exhibitors may have additional dress code requirements. Livestock do not need to be groomed, only presented clean and with appropriate show equipement.

3. Should one contestant have won two Senior Showmanship Divisions, they must decide which specie they choose to represent with the runner-up in the other division taking their place.

4. Should someone be unable to participate, the runner-up will show. It is the responsibility of the winner to notify the runner-up of their opportunity.

5. Each participant will sign a confirmation stating that he/she will be showing and the species.

6. The contest participant will provide their animal and show equipment for the competition in the fair arena at 11:50 p.m. on Friday of the show. If you feel your animal would not do well in Showman of Showmen and be able to be handled by all contestants, please find a suitable replacement. The poultry division must be represented by a market broiler, no matter what was shown by the winning poultry exhibitor. Animals may be switched out between rotations if needed due to animal fatique.

7. Due to the similarity of the size and style of showmanship between the market beef and dairy steers and the beef feeders and dairy feeders, these exhibitors will only present one of the species for the competition on a rotating basis every two years (even years = market beef and dairy feeder, odd years = dairy steer and beef feeder).

8. Contestants will be asked to rotate to different species every five minutes. In addition, one rotation will be a 10-question general knowledge test on the species exhibited and the livestock industry. A second rotation will be public speaking where participants will introduce themselves, tell where they are from, what organization they represent, which species they represent, which species they show, what they like about the fair, what they are most looking forward to showing and most scared of showing,

and then any additional comments they would like to make.

9. Each judge will rate the participants on a scale of one (1) to ten (10), with ten being the best. The hightest cumulative score will win the contest. Each contestant's score on their own species will not be used in the scoring, though they will begin by showing their own species. The two species "out" for the year will begin with the general knowledge test and public speaking.

10. Calculating the deviation in the contestant's scores will break a tie. The highest score will be subtracted from the lowest score, yielding the deviation in the contestant's scores. If a tie still exists, then the tiebreaker will be the contestant's score on the general knowledge test.

11. A suitable representative or representatives chosen by the Wyandot County Agricultural Education Instructors will judge each division.

12. An exhibitor may only win the Showman of Showmen contest one time during their Junior Fair Career. Contestants may participate more than one time depending on senior showmanship eligibility as set by the departments.

Junior Fair Dress Code — Requirements for all Shows/Sale. Pants/Jeans with no holes. Full button up shirts, no polos, to be buttoned from bottom to at least two buttons from the collar and tucked in for all shows/sale. Exhibitor will not be permitted to enter the ring without wearing appropriate attire. Judges will be informed of this dress code. Please check Dairy and Horses for their additional dress code requirements.

Girl Scouts of the USA is the world's preeminent organization dedicated solely to girls - all girls - where, in an accepting and nurturing environment, girls build character and skills for success in the real world. In partnership with committed adult volunteers, girls develop qualities that will serve them all their lives, like leadership, strong values, social conscience and conviction about their own potential and self-worth.

Girl Scouts of the USA was chartered by the United States Congress in 1950. Through membership in the World Association of Girl Guides and Girl Scouts, GSUSA is part of a worldwide family of 10 million girls and adults in 145 countries. Girl Scouts of the USA is a nonprofit 501(c)(3) organization.

Girl Scouts of Ohio's Heartland Council is proud to be a girl-centric and girl-driven environment where a girl finds courage to explore new worlds and adventures, confidence to believe in herself and her abilities, character to stand by her values and connections to girls from every background. It is also the place where girls return those gifts by becoming the next generation of women leaders through service and reinvestment in their communities.

Girl Scouts exists to address the ever-changing needs of today's girls. As members, girls build strong self-esteem and learn globally marketable skills such as financial literacy and budgeting, teamwork and consensus building, resourcefulness and respect for the environment and appreciation of the arts.

Girl Scouts is open to girls ages 5-17. A girl or adult who meets or can meet membership requirements shall not be denied admission to Girl Scouting due to age or disability or because of race, color, ethnicity, religion, national origin or socioeconomic status.

As of October 1, 2009, Girl Scouts of Ohio's Heartland Council serves the girls and adult volunteers in 30 counties: Adams, Ashland, Coshocton, Crawford, Delaware, Fairfield, Fayette, Franklin, Gallia, Guernsey, Highland, Hocking, Holmes, Jackson, Knox, Licking, Madison, Marion, Morrow, Muskingum, Perry, Pickaway, Pike, Richland, Ross, Scioto, Union, Vinton, Wayne and Wyandot.
